

Broken Branches, fences, brush after storm.

We have received multiple calls and inquiries whether the Pecan Valley RWD had anyplace to dump debris after this past storm.

We are sorry, but we DO NOT HAVE ANYPLACE where you can dump your storm debris.

The previous company accepted tons of dead trees, fence sections, etc. after the ice storm in 2020. PVWW was subsequently **cited for violation of regulations related to brush piles for burning**. Ours was determined to be almost 10X what the state permitted to be burned... so we were stuck with a huge pile of this stuff which has just been a haven for critters and snakes since.

We are NOT PERMITTED to accept any brush from others.

Further, Pecan Valley RWD has stringent prohibitions against anyone dumping on our property and do enforce rather substantial fines. And our properties are monitored by security cameras.
